

Please forward to the Cambridge/Oxford supervisor of your research project

As the academic currently welcoming a Wiener-Anspach Fellow who wishes to extend their research stay at the University of Cambridge or Oxford, you are asked to send a detailed reference letter (**dated and signed, pdf format**) by email to fwa@ulb.be by **Monday 1 April 2024 (noon Belgian time)**.

We kindly ask you to answer the following questions, providing as detailed information as possible:

1. Based on your personal experience as the supervisor of this postdoctoral research project, what are the applicant's skills and strengths?
2. How do you evaluate the progress of the project?
3. Why is an extension of the fellowship justified?
4. Any other comment that you may consider relevant.
