

Please forward to the Member of Academic Staff in Oxbridge supervising your research

As the academic closely involved in supervising the research work of an applicant for a Wiener - Anspach Foundation doctoral fellowship, you are asked to send a **detailed reference letter (dated and signed, pdf format)** by email to fwa@ulb.be by **Monday 2 December 2024 (noon Belgian time)**.

Content

We kindly ask you to answer to the following questions, providing as detailed information as possible:

1. What is your appreciation of the candidate? What are their skills and strengths? Please specify for how long you have known them.
2. What would be the scientific benefit for the candidate's thesis to work at ULB?
3. Do you already have a collaboration with the ULB promoter?
4. Any other comment that you may consider relevant.
